ICOLD: in Vietnam, for Sustainable Development

For the first time in the history of ICOLD, the 19th Annual Meeting of the International Commission on Large Dams (ICOLD), was held in Ho Chi Minh City, Vietnam, one of the most rapid economic growths of ICOLD member countries at the National Convention Center, in Hanoi, from May 27th to May 30th.

Over 500 delegates, including 100 representatives of governmental organizations, including 40% of the 50 first-time attendees, attended the 19th Annual Meeting. The meeting was held in a grand hall, decorated in blue and white, with a large screen displaying the ICOLD logo and the theme of the meeting: "Sustainable Development of Water Resources".

The conference was a big success with more than 400 papers being presented to more guests. In addition, the ICOLD members and their families were invited to a reception at the National Convention Center on May 30th.

ICOLD is a non-profit organization of the World Bank Group.
