Hydropower and dams' positive role is now widely recognized

Hydropower and dams' positive role is now widely recognized. The 20th African President for ICOLD and a World Declaration launched!

ICOLD President for Africa, Mr. [Name], and the African President for ICOLD, Mr. [Name], are seen at the launch of the World Declaration. The declaration is a landmark event in the history of the dam industry, marking the first time that the dam industry has been recognized as a key player in the world's energy and water supply. The declaration is a testament to the dam industry's commitment to sustainable development and the well-being of the world's people.
